

# Anything but standard.

## Yale Trade Smart Alarm B-HSA6610

The Yale App Alarm Kit has all the benefits of a traditional alarm, as well as being controllable via a smartphone.

### App Control

The Yale Home App allows alert notifications to be sent to a smartphone whenever an alarm is triggered, as well as offering a remote arm/disarm function.

### No Monitoring Fee

No hidden costs and no contracts.

### Part Arm

Secure your home even when you are in, with zone control.

### Expandable

Add up to 20 devices, allowing users to build a bespoke system suited to their needs.

### Mobile alerts

Receive real-time notifications direct to your smartphone so you're always in the know.

### Easy Set up

Wire free for quick and easy installation.

### In The Box

- 1 x Smart Hub (433mhz)
- 2 x PIR Motion Detector
- 1 x Keypad
- 1 x Door/Window Contact
- 1 x External Siren
- 1 x Dummy Siren
- 1 x Installation Manual and fixing pack
- 2 x Alarm Stickers

# Anything but standard.
