

Yale Home App v3.0 – What's New

- Updated interface design
- Improved activity history
- Updated app core for speed and stability

For your increased security all existing users will have to log back into the app.

App Compatibility

- Update officially supports phones running iOS 10 (64-bit), Android 6.0 and newer
- Android users running versions 4.2 to 5.1.1 are able to download and use current app until **31st Dec 2020**
